The factory recommended carb settings for the Parilla Leopard TAG 125cc kart racing engine are very safe and user friendly. The manual gives a starting point of 1-1/4 turns open for both the low and high speed needles. These are settings that allow for clean throttle response and idle and cool engine operation.

The spark plug is a crucial and vulnerable part on your engine. Your spark plug can be located on the top of the engine under the protective rubber boot. Your go kart comes with a tool kit containing a spark plug wrench for easy removal. The spark plug must be cleaned, and must be replaced promptly when signs of wear begin to show.
