PG Research - Civil Engineering - The University of Sheffield

Remember- dissertation topics need to be unique, solve an identified problem, be logical, and can also be practically implemented. Take a look at some of our sample environmental engineering dissertation topics to get an idea for your own dissertation.

Environmental Engineering Dissertation Topics and Titles ...

The thesis is the backbone for all the other arguments in your essay, so it has to cover them all. The thesis "The battles of Bleeding Kansas directly affected the Civil War, and the South was fighting primarily to protect the institution of slavery" doesn't work very well, because the arguments are disjointed and focused on different ideas.
