The Modern Concert Guitar By the 1950's, thanks in large part to Andres Segovia, the classical guitar had made its way into the concert hall. This really marked the beginning of the separation between the classical and the flamenco guitar, the latter evolving very little over the next 50 years to the present.

Classical Guitar Building • O'Brien Guitars

Covers aspects of traditional (and modern) classical guitar construction in excellent detail. Of course there was some head scratching every now and then, but building a Hauser style classical is not a cakewalk. The author's available jigs and quick email response (how uncommon is this!) minimize woodworking "risks."
