A MAJOR SECOND EDITION! Classroom Behaviour, Second Edition explores the relationship between effective teaching, behaviour management, discipline and colleague support.

Classroom Behaviour: A Practical Guide to Effective ...

Reinforce students' good behaviour far more frequently than you provide negative feedback. Positive reinforcement can include verbal praise for a particular action, a smile, or simple eye contact. Set an example: If you raise your voice or lose your cool, it is easy for students to lose their respect for you and/or emulate your behaviour. Be firm yet gentle in your tone of voice and in your choice of words.

Regularly review the rules together. Encourage pupils to devise rules and take ownership of them. Remind pupils of any relevant rules before a potentially disruptive activity or if you are aware of "something brewing". This kind of response can drastically reduce inappropriate behaviour.

Managing pupil behaviour | Education Support

Problematic student behaviour can lead to teacher stress, frustration and yes, even tears. You didn't learn about this at uni! If you dream of a classroom where you can get on with the business of teaching and learning without being interrupted by poor student behaviour, Habits of Highly Effective Teachers is the book for you.
