Traditional interior design style stems from a variety of old-school European styles and together are now referred to as "traditional". Elements of this design include: Reflects classic European decor, Elaborate moldings and wood paneling.

22 Different Interior Design Styles for Your Home (2020)

Often times our own unique homes can be a mix of styles that we love - such is the case in my house. I like to define my style as a mix between a Farmhouse in France and a Cottage on the Coast, but sum it up as "Cottage Romance".. As I've studied and been inspired by French style for years, I too have found there are common elements of design for that charming look.

10 Design Elements of French Style - Tidbits

In the grand tradition of Strunk and White's Elements of Style, Paul Argentini presents an essential reference masterpiece in screenwriting. He provides clear and concise principles of screenplay formatting structure, as well as stylistic advice. Argentini explains how to design and format manuscripts to impress any film school professor, story...

Elements of Style for Screenwriters

Although my style is nothing like yours, reading this post helped me look at what design elements are important to me. I think of my style (loosely) as modern rustic, and I realized that in each of the rooms that I love, there are always some seashells, raw wood elements, large colorful glass floor vases, at least one antique piece, live plants ...
