The gutter is the amount of the book that you "lose" to the binding process. So yes, you have a half inch margin on the left and the right, to have white space to keep your book easy to read. But in ADDITION to that margin you also want a gutter. The gutter goes on the left side of right-hand pages, and on the right side of left-hand pages.

Setting a Gutter Margin - Getting Your Book Published

By default, the "Gutter" margin will be set to 0. This could cause issues further on, as the gutter margin is the amount of space between the content of your book and the fold where the pages of the book will be bound together. That said, go ahead and give the gutter a 1" margin, so the content of your book doesn't get lost in the fold.
