In A Lonely Place Dorothy
Dorothy B. Hughes' In a Lonely Place was first published in 1947. It's an exciting pleasure to read, with four especially notable features. First, In a Lonely Place provides a vivid picture of middle class, white America immediately after World War Two. Hughes' picture includes California drive-ins and drive-throughs, diners, and supper clubs, and the beginnings of the Los Angeles car culture.

In a Lonely Place by Dorothy B. Hughes - Goodreads
Written with controlled elegance, Dorothy B. Hughes's tense novel is at once an early indictment of a truly toxic masculinity and a twisty page-turner with a surprisingly feminist resolution. A classic of golden age noir, In a Lonely Place also inspired Nicholas Ray's 1950 film of the same name, starring Humphrey Bogart.

In a Lonely Place by Dorothy B. Hughes. In 1947, an excellent thriller needed only four characters: two women, one a respectable policeman's wife the other a woman of questionable character, and two men, one a police detective the other a serial killer. With these four characters and a small supporting cast, Dorothy Hughes created an excellent noir thriller In A Lonely Place that can more than hold its own against any of her male contemporaries.

Dorothy B. Hughes's 1947 In a Lonely Place (reissued by New York Review Books Classics) suggests that the current ongoing reemergence of American female crime writers from the '40s to the '60s may be approaching what occurred with the male counterparts of these writers in the '80s, when Black Lizard and other presses began reissuing the out-of print work of Jim Thompson, David Goodis, Cornell Woolrich, and others.
