Red, Amber, Green Dash Warning Light -
What do they mean? You'll no doubt
have noticed every time your start your
car, or indeed a rental car that all of the
lights on the dash illuminate and then
quickly go out, this is all part of the start-
up procedure and standard electrical
and systems checks the car will do each
time it is started.

Eurocargo is the technology and market leader in Europe, and the new model offers important innovations in terms of engines, safety, comfort, cost reduction and environmental sustainability, thus completing the evolution of the Iveco range, and following closely on the success of Stralis and Daily, which won International Truck of the Year 2013 ...

New Eurocargo: The truck the city likes - Iveco

The new Eurocargo will also be offered in a "super-eco" 210 hp version of the 6-litre Tector engine, running on compressed natural gas (CNG). Thanks to the redesign of ignition coils, blow-by valve, pistons and rings Iveco has obtained significant benefits in efficiency, emissions and maintenance.
