In addition to the seminal "Let's Talk About Girls," The Grodes had plenty of tough garage material, but also played fine harmony rockers. This was clearly a band that cut its musical teeth performing live at frats and teen dances. The same is true for the Dearly Beloved, whose debut "Every Time It's You" sounds like it was recorded in the same ...

I'm 16 and I'm pretty social when it comes to people. I talk to almost everyone, boy and girl. I don't like anyone and I never have crushes (due to a strict mom) because it's not really going to go anywhere since I can't date. I'm very mature about this and I accept this. My mom called me into her room the other night and started saying that she hasn't been liking the way I've been acting lately.

Let's is a contraction of "let us." You use it to make suggestions about what you and someone else should do. Let's go to the movies. Let's invite Mom. Lets is the third-person singular present tense form of verb let, which means to allow or give permission. If Mom lets us go to the movies without her, I'll be surprised.
