The Knife That Killed Me

The Knife That Killed Me by Anthony McGowan is a book about the life of a high school student Paul Varderman. It illustrates the struggles he goes through while he's trying to find a place to fit in at school. Paul doesn't like being noticed by people, he would much rather just be invisible.

The Knife That Killed Me by Anthony McGowan

The knife that killed me was a special knife. Its blade was inscribed with magical runes from a lost language, and the metal glimmered with a thousand colors, iridescent as a peacock's tail or the slick of petrol on a puddle. It was made from a meteorite that had plunged to Earth after a journey of a hundred million miles.
