In many European languages, the word antiquarian (or its equivalent) has shifted in modern times to refer to a person who either trades in or collects rare and ancient antiquarian books; or who trades in or collects antique objects more generally. In English, however, the word (either as antiquarian or antiquary) very rarely carries this sense.

Whilst historians might write for polemical purposes, to prove a political or moral point, the antiquarian presented the facts simply as they happened. Historians might try to force the events of the past into some preconceived agenda but the antiquarian was studiously neutral.

### **Antiquarianism - Articles - Making History**

If an antique book is torn or damaged, then do not use glue or tape on the pages and bindings, as this can devalue it. You should also avoid treating leather bindings with oil; instead, consult a professional restoration technician.
