The Transvestite Memoirs is an account on how he transformed from male to female and what obstacles he met, while roaming Paris under the name Madame Sancy. As the story develops, the Abbé also talks of his adventures in the country and how he seduced innocent Mademoiselles in the role of a sort of fairy godmother, the Comtesse des Barres.

Trans Stories. Trans stories are just as diverse and resilient as the trans community itself. No one's experience is the same as anyone else's, which is why our favorite memoirs by trans people run the gamut from earnest to irreverent, heartbreaking to hilarious. By sharing their stories and experiences, we hope to help raise the visibility of the trans community and create awareness around the ongoing issues of transphobic prejudice, discrimination, and violence.
