The Western Lands is a 1987 novel by William S. Burroughs. The final book of the trilogy that begins with Cities of the Red Night and continues with The Place of Dead Roads, its title refers to the western bank of the Nile River, which in Egyptian mythology is the Land of the Dead. Inspired by the Egyptian Book of the Dead, Burroughs explores the after-death state by means of dream scenarios, hallucinatory passages, talismanic magic, occultism, superstition, and his characteristic view of the na

Reviewed in the United States on January 27, 2002 While William S. Burroughs never makes it clear specifically where or what "The Western Lands" are, what is clear is his hellish vision of the journey there. He relates to us that "All the filth and horror, fear, hate disease and death of human history flows between you and the Western Lands."
